10.2.c. No public adjuster, while so licensed by the Commissioner, may represent or act as a company adjuster on the same claim;

services are in writing and set forth all terms and conditions of the engagement.

10.2.g. A public adjuster may not agree to any loss settlement without the insured's knowledge and consent; and

10.2.h. Public adjusters may not directly solicit a client for employment between the hours of seven p.m. and nine a.m.

§114-25-11. Contract Between Public Adjuster and Insured.

11.1. Public adjusters shall ensure that all contracts for their services are in a document entitled "Public Adjuster Contract" containing the following:

11.1.a. Full name of the adjuster signing the contract;

11.1.b. Permanent home state business address and phone number;

11.1.c. License number;

11.1.d. The insured's full name, street address, insurance company name and policy number;

11.1.e. A description of the loss and its location;

11.1.f. Description of services to be provided to the insured;

11.1.g. Signatures of the public adjuster and the insured and date(s) signed; and

11.1.h. Full salary, fee, commission, compensation or other considerations the public adjuster is to receive for services.

11.2. The contract may specify that the public adjuster shall be named as a co-payee on an insurer's payment of a claim.

11.2.a. If the compensation is based on a share of the insurance settlement, the exact percentage shall be specified.

11.2.b. Initial expenses to be reimbursed to the public adjuster from the proceeds of the claim payment shall be specified by type, with dollar estimates set forth in the contract and with any additional expenses first approved by the insured.

11.2.c. Compensation provisions in a public adjusting contract shall not be redacted in any copy of the contract provided to the Commissioner.

11.3. If the insurer, no later than seventy-two hours after the date on which the loss is

reported to the insurer, either pays or commits in writing to pay to the insured the policy limit of the insurance policy, the public adjuster shall:

11.3.a. Not receive a commission consisting of a percentage of the total amount paid by an insurer to resolve a claim;

11.3.b. Inform the insured that loss recovery amount might not be increased by insurer; and

11.3.c. Be entitled only to reasonable compensation from the insured for services provided by the public adjuster on behalf of the insured, based on the time spent on a claim and expenses incurred by the public adjuster, until the claim is paid or the insured receives a written commitment to pay from the insurer.

11.4. A public adjuster shall provide the insured a written disclosure concerning any direct or indirect financial interest that the public adjuster has with or in any other party who is involved in any aspect of the claim, including but not limited to any ownership of, other than as a minority stockholder, or any compensation expected to be received from, any construction firm, salvage firm, building appraisal firm, motor vehicle repair shop, or any other person that provides estimates for work, or that performs any work in conjunction with damages caused by the insured loss.

11.5. A public adjuster contract may not contain any contract term that:

11.5.a. Allows the public adjuster's percentage fee to be collected when money is due from an insurance company, but not paid, or that allows a public adjuster to collect the entire fee from the first check issued by an insurance company, rather than as percentage of each check issued by an insurance company;

11.5.b. Requires the insured to authorize an insurance company to issue a check only in the name of the public adjuster;

11.5.c. Imposes collection costs or late fees; or

11.5.d. Precludes an insured from pursuing civil remedies.

11.6. Prior to the signing of the contract, the public adjuster shall provide the insured with a separate disclosure document regarding the claim process that states:

11.6.a. Property insurance policies obligate the insured to present a claim to his or her insurance company for consideration. There are two types of adjusters that could be involved in that process. The definitions of the two types are as follows:

11.6.a.1. "Company adjuster" means an adjuster representing the interests of the insurer, including an independent contractor and a salaried employee of the insurer. The

company adjuster should not charge the insured a fee for his or her services.

11.6.a.2. "Public adjuster" means an insurance adjuster who does not work for any insurance company. The public adjuster works for the insured to assist in the preparation, presentation and settlement of the claim. The insured hires the public adjuster by signing a contract agreeing to pay him or her a fee or commission based on a percentage of the settlement, or other method of compensation.

11.6.b. The insured is not required to hire a public adjuster to help the insured meet his or her obligations under the policy, but has the right to do so.

11.6.c. The insured has the right to initiate direct communications with the insured's attorney, the insurer, the insurer's adjuster, and the insurer's attorney, or any other person regarding the settlement of the insured's claim.

11.6.d. The public adjuster is not a representative or employee of the insurer.

11.6.e. The salary, fee, commission or other consideration paid to a public adjuster is the obligation of the insured, not the insurer.

11.6.f. The contract shall be executed in duplicate to provide an original contract to the public adjuster and an original contract to the insured. The public adjuster's original contract shall be available at all times for inspection without notice by the Commissioner.

11.6.g. The public adjuster shall provide the insurer a notification letter, which has been signed by the insured, authorizing the public adjuster to represent the insured's interest.

11.6.h. The insured has the right to rescind the contract within three business days after the date the contract was signed. The rescission must be in writing and shall be delivered to the public adjuster at the address in the contract within the three business day period: Provided, That a rescission letter postmarked within the three-day rescission period shall be deemed to have been delivered within such period.

11.6.i. If the insured exercises the right to rescind the contract, anything of value given by the insured under the contract will be returned to the insured within fifteen business days following the receipt by the public adjuster of the cancellation notice.

§114-25-12. Public Adjuster Fees.

12.1. Any fee charged by a public adjuster must be reasonable.

12.2. A public adjuster shall not pay a commission, service fee or other valuable consideration to a person for investigating or settling claims in this state if that person is required to be licensed under this article and is not so licensed.

12.3. A person shall not accept a commission, service fee or other valuable consideration for investigating or settling claims in this state if that person is required to be licensed under this article and is not so licensed.

12.4. In the event of a catastrophe, no public adjuster shall charge, agree to or accept as compensation or reimbursement any payment, commission, fee, or other thing of value equal to more than ten percent of any insurance settlement or proceeds. No public adjuster shall require, demand or accept any fee, retainer, compensation, deposit, or other thing of value, prior to settlement of a claim.

§114-25-13. Escrow or Trust Accounts.

13.1. A public adjuster who receives, accepts or holds any funds on behalf of an insured towards the settlement of a claim for loss or damage shall deposit the funds in a non-interest bearing escrow or trust account in a financial institution that is insured by an agency of the federal government in the public adjuster's home state or where the loss occurred.

§114-25-14. Assumed Names.

14.1. A company, public or crop adjuster doing business under any name other than the adjuster's legal name is required to notify the Commissioner prior to using the assumed name.

§114-25-15. Prohibited Practices; Voidable Contracts.

15.1. A public adjuster shall not solicit or attempt to solicit employment during progress of a loss-producing occurrence nor while the fire department or its representatives are engaged at the damaged premises.

15.2. A public adjuster shall not collect or attempt to collect a fee or charge from a repair contractor for obtaining repair work for the contractor.

15.3. A public adjuster shall not advance money or any other valuable thing to an insured pending adjustment of a claim.

15.4. A public adjuster shall not provide his or her services to a client until the adjuster has contracted in writing with the insured or his or her authorized representative. A contract which is executed within forty-eight hours after conclusion of the loss producing occurrence shall be voidable at the option of the insured for ten days after execution of the contract. The written contract shall constitute the entire agreement between the adjuster and the insured and shall disclose all fees to be charged the insured by the public adjuster. A copy of the contract shall be given to the insured when the contract is executed.

§114-25-16. Addresses of Adjusters; Filing.

16.1. Each adjuster shall file with the Commissioner the complete address of his

principal place of business and the complete address of his residence including the name and number of the street, or if the street where the business is located is not numbered, the number of the post office box. The Commissioner may require the filing of other information for the purposes of identifying the principal place of business and the place of residence.

§114-25-17. Change of Address; Notice.

17.1. Within thirty days of a change of business or residence address by an adjuster the adjuster must file with the Commissioner the current version of such information as is required by Section 16 of this rule. An adjuster's principal place of business may be either a home or a business address, but in either event, the adjuster must maintain such address as a permanent office.

§114-25-18. Licensing of Nonresident Adjusters.

18.1. An individual otherwise complying with the provisions of this rule who is a licensed adjuster in his or her home state, may apply with the Commissioner to become licensed as a nonresident company, public or crop adjuster in this state if his or her home state has established, by law or regulation requirements for the licensing of a resident of this state as a nonresident adjuster and if the applicant's home state awards nonresident licenses to residents of this state on the same basis. Such an individual is exempt from the examination requirements of W.Va. Code §33-12B-5 if his or her home state required a substantially similar prelicensing examination.

18.2. The Commissioner may issue an adjuster's license to any applicant who is not a West Virginia resident and who cannot meet the requirements of section 18.1 of this rule if the applicant passes a written examination in West Virginia.

18.3. As a condition to the continuation of a nonresident adjuster license, the licensee shall maintain a resident adjuster license in his or her home state.

18.4. An individual who has obtained a nonresident adjuster license and who thereafter establishes legal residency in this state must make application within ninety (90) days to obtain a resident license for the same line of authority; such applicant is exempt from any prelicensing examination requirements.

§114-25-19. Expiration of License; Renewal.

19.1. All licenses of adjusters shall expire at midnight on May 31 next following the date of issuance. An adjuster whose license has expired shall make application to the Commissioner on forms prescribed by the Commissioner for renewal.

19.2. An adjuster who allows his or her license to lapse may have such license reinstated if he or she makes application within twelve months of the expiration date and pays a penalty in the amount of \$25 in addition to any other fees.

19.3. The Commissioner may waive renewal requirements for an adjuster who is unable to comply due to military service, long-term disability or other extenuating circumstance.

19.4. Crop Adjusters that are renewing a license must show that they have maintained certification of proficiency issued or approved by the federal Risk Management Agency.

§114-25-20. Revocation, Suspension, Refusal to Renew or Issue License; Penalty in Lieu Thereof.

20.1. The Commissioner may examine and investigate the business affairs or conduct of persons applying for or holding an adjuster license. In the event that the action by the Commissioner is to deny an application for or not renew a license, the Commissioner shall notify the applicant or licensee and advise, in writing, the applicant or licensee of the reason for the non-renewal or denial of the applicant's or licensee's license. The applicant or licensee may make written demand upon the Commissioner within ten days for a hearing before the Commissioner to determine the reasonableness of the commissioner's action. The hearing shall be held within forty-five days and shall be held pursuant to section thirteen, article two of chapter thirty-three of the West Virginia Code.

20.2. Whenever, after notice and hearing the Commissioner is satisfied that any adjuster has violated any provision of this rule, or is incompetent or untrustworthy, the Commissioner may place on probation, revoke, suspend, or refuse to issue or, if renewal of license is pending, refuse to renew the license of such adjuster. In addition to placing on probation, revoking, suspending, or refusing to renew such license, the Commissioner may in his or her discretion order such licensee to pay to the State of West Virginia an administrative penalty in a sum not to exceed one thousand dollars. Upon failure of the licensee to pay such penalty within 30 days, his or her license will be suspended or revoked by the Commissioner.

20.3. For the purposes of this regulation, it is considered to demonstrate lack of trustworthiness or competency if the Commissioner determines such adjuster has:
