Questions & Answers*

1. Please clarify if it is the OIC's intent to purchase coverage for 1) the existing claims that have already occurred 2) any potential future claims moving forward or 3) for both.

Answer: The OIC's intent primarily is to procure coverage for future claims in the UEF. However, the OIC would be willing to review information on any type of product a respondent believes could protect the solvency of the UEF."
