

The following self-insured quarterly assessment rates will be effective July 1, 2018 for fiscal year 2019:

1. The Debt Reduction Assessment percentage: .38%
2. The Regulatory Surcharge percentage: .14%

These rate changes will not be effective until the Payroll Report issued in September 2018 and due in October 2018. Please do not change the rates on the Payroll Report for the quarter ending June 30, 2018.

The Debt Reduction Assessment will only be in effect thru the second quarter of fiscal year 2019 per the changes enacted by HB4628 [W. Va. Code §23-2C-3(h)]. The Payroll Report for the quarter ending March 31, 2019, will reflect this change and only provide for the calculation and payment of the Regulatory Surcharge, which was not impacted by the Legislation.
