

BEFORE JAMES A. DODRILL, INSURANCE COMMISSIONER
OF THE STATE OF WEST VIRGINIA

In the Matter of:

TRAVELERS PROPERTY CASUALTY COMPANY OF AMERICA

Administrative Proceeding No. 19-MC-THP-02001

AGREED ORDER ADOPTING REPORT OF
MARKET CONDUCT COMPLIANCE EXAMINATION

NOW COMES, the Insurance Commissioner of the State of West Virginia, and makes the following findings of fact, conclusions of law and order regarding the Report of Market Conduct Compliance Examination for the targeted examination of Travelers Property Casualty Company of America (hereinafter referred to as "Travelers") for the examination period ending September 30, 2019.

FINDINGS OF FACT

1. This Targeted Market Conduct Examination was instituted as a result of the Final Order entered in Administrative Proceeding 19-THP-02022. The Administrative Order concluded that Travelers committed a violation of W. Va. Code R. §114-14-6.7, which constitutes a violation of W.Va. Code §33-11-4(9)(c).

2. The primary purpose of this targeted examination was to determine Travelers' compliance with West Virginia Insurance laws relating to treatment of third-party claimants and to determine if any of the violations cited in Administrative Proceeding 19-THP-02022 occurred with such frequency as to constitute a general business practice. Examination information contained in the Market Conduct Report should serve only these purposes. The conclusions and findings of the Market Conduct Examination are public record.

3. The Targeted Market Conduct Examination reviewed the company's claims

practices. The examination was conducted in accordance with West Virginia Code Section 33-2-9(c) by examiners duly appointed by the West Virginia Offices of the Insurance Commissioner.

4. A total of ten (10) standards were reviewed during this targeted examination. The Company was compliant or predominately compliant in all standards.

5. The examiner filed with the Insurance Commissioner, pursuant to W.Va. Code §33-2-9(j)(2), a Report of Market Conduct Examination.

6. A true copy of the Report of Market Conduct Examination was sent to Travelers. Travelers was notified that, pursuant to W.Va. Code §33-2-9(j)(2), it had thirty (30) days after receipt of the Report of Market Conduct Compliance Examination to file a submission or objection with the Insurance Commissioner. Travelers has no objections and agrees to the entry of this Order.

7. Travelers waives notice of administrative hearing, any and all rights to an administrative hearing, and to judicial review of this matter.

CONCLUSIONS OF LAW

1. The Insurance Commissioner is charged by law with the duty of administering and enforcing, among other duties, the provisions of Chapter 33 of the West Virginia Code of 1931, as amended, and the Insurance Commissioner has jurisdiction over the subject matter and the parties to this proceeding.

2. This proceeding is conducted pursuant to and in accordance with W.Va. Code §§33-2-9, and 33-11-4a.

3. The Insurance Commissioner is charged with the responsibility of verifying continued compliance with the West Virginia Code and the West Virginia Code of State Rules by Travelers as well as all other provisions of regulation that Travelers is subjected to by virtue of its Certificate of Authority to operate in the State of West Virginia.

4. Travelers is a foreign insurer, licensed to do business in West Virginia, and

incorporated in Connecticut.

5. Travelers was found to be compliant with nine (9) standards tested and predominately compliant with one (1) standard tested. All standards were within the error ratio established by the NAIC *Market Regulation Handbook*. Travelers did not fail any of the standards tested.

6. Travelers committed violations of W. Va. Code R. §114-14-6.7, as evidenced in the Report of Market Conduct Compliance Examination, pertaining to the failure to properly issue notice of necessary delay letters. W.Va. Code R. §114-14-6.7 is related to the findings contained in Administrative Proceeding 19-THP-02002. However, the frequency of these violations was within the error ratio and was insufficient to be identified as a non-compliant claims handling practice. Therefore, the Insurance Commissioner concludes that these violations did not occur with such frequency as to constitute a general business practice.

ORDER

Pursuant to W.Va. Code §33-2-9(j), following the review of the Report of Market Conduct Compliance Examination, the examination work papers, and Travelers' response thereto, if any, the Insurance Commissioner and Travelers have agreed to enter into this Agreed Order adopting the Report of Market Conduct Compliance Examination.

It is accordingly **AGREED** and **ORDERED** as follows:

1. The Report of Market Conduct Compliance Examination of Travelers Property Casualty Company of America for the period ending September 30, 2019, is hereby **ADOPTED** and **APPROVED**.

2. Within thirty (30) days of the next regularly scheduled meeting of its Board of Directors, Travelers shall file with the Insurance Commissioner, in accordance with W.Va. Code §33-2-9(j), affidavits executed by each of its directors stating under oath that they have received

a copy of the adopted Report of Market Conduct Compliance Examination and a copy of this AGREED ORDER ADOPTING REPORT OF MARKET CONDUCT COMPLIANCE EXAMINATION.

3. All statutory notices, administrative hearings and appellate rights are hereby waived by Travelers concerning this Report of Market Conduct Compliance Examination and Agreed Order.

ENTERED this 11th day of May, 2020.

The Honorable James A. Dodrill,
West Virginia Insurance Commissioner
900 Pennsylvania Avenue
Charleston, West Virginia 25305

Dear Commissioner Dodrill:

Pursuant to your instructions and in accordance with West Virginia Code § 33-2-9, a Market Conduct examination has been made for the period of 01/01/2017 through 09/30/19 on

**Travelers Property Casualty Company of America
One Tower Square
Hartford, CT 06183**

hereinafter referred to as the "Company" or "Travelers". The following report of the findings of this examination is herewith respectfully submitted.

PURPOSE AND SCOPE OF THE EXAMINATION

Market conduct examiners with the West Virginia Offices of the Insurance Commissioner (WVOIC) reviewed certain business practices of Travelers Property Casualty Company of America. W. Va. Code § 33-2-9 empowers the Commissioner to examine any entity engaged in the business of insurance. The findings in this report, including all work products developed in producing it, are the sole property of the WVOIC.

The purpose of this targeted examination was to determine the Company's compliance with West Virginia insurance laws relating to treatment of third-party claimants. Examination information contained in this report should serve only this purpose. The conclusions and findings of this examination are public record.

The basic business areas that were reviewed and tested under this examination were:

- Claims Practices

EXECUTIVE SUMMARY

The examination began December 26, 2019 and review completed February 24, 2020. The examination was called as a result of the Final Order entered in Administrative Proceeding No. 19-THP-02022/19-AP-THP-02002. The Administrative Order concluded that the Company was non-compliant with W.Va. Code R. § 114-14-6.7 (failing to provide proper notice of necessary delay in investigation claims, wherein "If the insurer needs more than thirty (30) calendar days from the date that a proof of loss from a ...notice of claim from a third-party claimant is received to determine whether a claim should be accepted or denied, it shall so notify the claimant in writing within fifteen (15) working days after the thirty-day period expires. If the investigation remains incomplete, the insurer shall provide written notification of the delay to the claimant every forty-five (45) calendar days thereafter until the investigation is complete. All such notifications must set forth the reason(s) additional time is needed for investigation.")

W. Va. Code §§ 33-11-4a(e) and (f) imply that, upon any finding that a company committed an unfair claims settlement practice with respect to a third-party claimant, the Commissioner determines whether the practice occurred with such frequency as to be construed as a general business practice of the Company. In this case, the Commissioner determined that the most efficient way to make this determination was through a targeted Market Conduct Examination. The examination primarily focused on third-party claims handling with attention to the Company's claims investigatory actions (Standard G2), duty after an investigation (Standard G3) and timely response to communications (Standard G4). Other standards from the Company Operations/Management and Claims Section of the Market Regulation Handbook were also included within this examination report which are further explained later in the report.

A total of ten (10) standards were reviewed for compliance during this examination. The company was found to be compliant with all standards.

Although predominantly compliant with the standard, the targeted market examination concluded with a recommendation involving W. Va. Code or Regulations cited in Administrative Proceeding 19-THP-02002/19-AP-THP-02002:

G2 – The Company did not send notices of necessary delay in investigating claims as required by required by W. Va. Code R. § 114-14-6.7. As the compliance result was above the minimum requirement of 93%, the Company is found to be predominantly compliant with this standard and the examiner is unable to determine the practice occurred with such frequency as to be construed as a general business practice.

METHODOLOGY

The examination was conducted in accordance with the standards and procedures established by the National Association of Insurance Commissioners ("NAIC") and West

Virginia's applicable statutes and regulations. This is a report by test of Company compliance with selected Standards contained in the National Association of Insurance Commissioners' (NAIC) *2019 Market Regulation Handbook* ("Handbook") and Standards approved by the West Virginia Offices of the Insurance Commissioner ("WVOIC") which are based on applicable West Virginia statutes and administrative rules, as referenced herein. Testing is based on guidelines contained in the Handbook. All tests applied are included in this report.

The examiners used the NAIC standards of 7% error ratio on claims tests (93% compliance rate) and 10% error ratio on all other tests (90% compliance rate) to determine whether an apparent pattern or practice of being compliant, predominantly compliant, or non-compliant existed for any given test. The review was limited to third-party claims. The examiner reviewed a population of twenty-five (25) paid claim files and twenty-five (25) denied/closed without payment (CWOP) claim files for compliance.

Tests designed to measure the level of compliance with West Virginia statutes, rules and regulations were applied to the files. Each area of the examination has specific elements that were tested and are listed below. As this was a third-party, targeted examination, not all standards and areas were reviewed. The examiners may not have discovered every unacceptable or non-compliant activity in which the Company is engaged. The failure to identify, comment on, or criticize specific practices does not constitute an acceptance of the practices by the West Virginia Offices of the Insurance Commissioner or its' designee. A compliance table follows containing results of each area of review with the compliance percentage for the Company and final examination results.
