### ► 2023 Legislation Repealed West Virginia's All-Payer Claims Database Law ◀

House Bill 2029, which was passed by the West Virginia Legislature on February 1, 2023, and approved by Governor Jim Justice on February 13, 2023, repealed Article 4A, Chapter 33 of the West Virginia Code relating to the creation and oversight of the West Virginia all-payer claims database. The legislation repealing the West Virginia all-payer claims database was voted to be effective from passage on February 1, 2023.

As such, there is currently no law regarding an all-payer claims database in West Virginia and any rules or regulations stemming from the former all-payer claims database law are essentially null and void.
