Be Prepared for the Remnants of Hurricane Laura  
August 26, 2020

Hurricane Laura is in the Gulf of Mexico. Laura is expected to arrive in West Virginia in the early morning hours of Saturday, August 29, 2020 with possible heavy rains and high winds.

Now is the time to be prepared. Here are a few of the things you need to do now:

- Check your emergency kits
- Have enough food, water, and medicine for 3 days
- Cell phones should be fully charged
- Extra batteries for flashlights
- Clear gutters and storm drains of debris
- Secure lose objects outside, such as patio furniture, trash cans, etc.

Last but not least do not drive through high water.
