5.8. Once the individual adjuster is transitioned to a new license type or assigned an initial line of authority, on or after July 1, 2021 and in accordance with either subsections 5.6 or 5.7, the adjuster will not be able to add an additional license type or additional line of authority to his or her adjuster license without meeting the licensing requirements as set forth in W.Va. Code §33-12B-1, *et seq.*, 114CSR2A, 114CSR42, and this rule.

5.9. An individual adjuster then holding multiple license types at the time of the transition and assignment referred to in subsections 5.6 and 5.7 of this rule will be transitioned to multiple license types in accordance with the default positions in subdivisions 5.7.a., 5.7.b., and 5.7.c. of this rule.

11.3.b. Inform the insured that loss recovery amount might not be increased by insurer; and

11.3.c. 11.4. A public adjuster shall provide the insured a written disclosure concerning any direct or indirect financial interest that the public adjuster has with or in any other party who is involved in any aspect of the claim, including but not limited to any ownership of, other than as a minority stockholder, or any compensation expected to be received from, any construction firm, salvage firm, building appraisal firm, motor vehicle repair shop, or any other person that provides estimates for work, or that performs any work in conjunction with damages caused by the insured loss.

11.5. A public adjuster contract may not contain any contract term that:

11.5.a. 11.5.c. Imposes collection costs or late fees; or

11.5.d. Precludes an insured from pursuing civil remedies.

11.6. Prior to the signing of the contract, the public adjuster shall provide the insured with a separate disclosure document regarding the claim process that states:

11.6.a. Property insurance policies obligate the insured to present a claim to his or her insurance company for consideration. There are three types of adjusters that could be involved in that process. The definitions of the three types are as follows:

11.6.a.1. "Company adjuster" means an adjuster representing the interests of the insurer, including an independent contractor and a salaried employee of the insurer. The company adjuster should not charge the insured a fee for his or her services.

11.6.a.2. "Independent adjuster" means an adjuster hired on a contract basis by an insurance company to represent the insurance company's interest in the settlement of the claim. An independent adjuster is paid by the insurance company and should not charge the insured a fee for his or her services.

11.6.a.3. "Public adjuster" means an insurance adjuster who does not work for any insurance company. The public adjuster works for the insured to assist in the preparation, presentation and settlement of the claim. The insured hires the public adjuster by signing a contract agreeing to pay him or her a fee or commission based on a percentage of the settlement, or other method of compensation.

11.6.b. The insured is not required to hire a public adjuster to help the insured meet his or her obligations under the policy, but has the right to do so.
