THE ABOVE RULE IS BEING FILED AS AN EMERGENCY RULE TO BECOME EFFECTIVE AFTER APPROVAL BY THE SECRETARY OF STATE OR THE 42ND DAY AFTER FILING, WHICHEVER OCCURS FIRST. THE FACTS AND CIRCUMSTANCES CONSTITUTING THE EMERGENCY ARE AS FOLLOWS:
Reinsurance, often referred to as insurance of insurance companies, is a contract of indemnity between a reinsurer and an insurer. In this contract, the insurance company, i.e. the cedent, transfers risk to the reinsurance company which assumes all or part of one or more insurance policies issued by the cedent. Reinsurance is an essential mechanism by which insurers manage risks, correlating to the amount of capital they must hold to support those risks. Insurers may use reinsurance to best achieve a targeted risk profile. In the reinsurance agreement, the reinsurers obligation arises only when the companies liability under its original insurance policy or reinsurance agreement has been incurred. The extent of that obligation is defined by the specific terms and conditions of the applicable reinsurance agreement. Absent specific agreement to the contrary, there is no privity of contract between the reinsurer and any party other than the company defined as the reinsured in the reinsurance agreement.

Recent amendments to the Credit for Reinsurance Model Law (#785) and Credit for Reinsurance Model Regulation (#786), as adopted by the National Association of Insurance Commissioners (NAIC), are part of a larger effort to modernize reinsurance regulation in the United States. The NAIC initially adopted the Reinsurance Regulatory Modernization Framework Proposal during its 2008 Winter National Meeting. The NAIC recommended that this framework be implemented through federal legislation in order to best preserve and improve state-based regulation of reinsurance, ensure timely and uniform implementation throughout all NAIC member jurisdictions, and as a more comprehensive alternative to related federal legislation.

On July 21, 2010, Congress passed and the President signed the Nonadmitted and Reinsurance Reform Act (effective July 21, 2011). While this Act does not implement the NAIC framework, it does preempt the extraterritorial application of state credit for reinsurance law and permits states of domicile to proceed forward with reinsurance collateral reforms on an individual basis if they are accredited. The federal legislation also does not prohibit the states from acting together, through the NAIC, to achieve the reinsurance modernization framework goals. As a means of furthering such goals, the NAIC operates a program that grants accreditation to states that have a standard financial solvency regulatory scheme. Such a scheme permits non-domiciliary states to rely on the solvency determinations of an insurers domiciliary state. The Credit for Reinsurance Model Law (#785) and Credit for Reinsurance Model Regulation (#786) became accreditation standards as of January 1, 2019.

During the 2018 regular session, the West Virginia Legislature enacted House Bill 4230. That legislation, which was based on the Credit for Reinsurance Model Law (#785), amended current requirements concerning credit for reinsurance and became effective January 1, 2019. The bill included a provision permitting the Insurance Commissioner to promulgate emergency rules to implement the provisions of the law. The subject emergency rule, which is based on the Credit for Reinsurance Model Regulation (#786), is being promulgated for that purpose and to ensure that West Virginia meets the NAICs accreditation standards.

No credit shall not be allowed a domestic ceding insurer with respect to reinsurance ceded, under this section if the assuming insurer’s accreditation has been denied or revoked by the commissioner after notice and hearing, or if the reinsurance was ceded while the assuming insurer’s accreditation was under suspension by the commissioner.

The risk assessment may involve an actuarial review, including an independent analysis of reserves and cash flows, and shall consider all material risk factors, including when applicable the lines of business involved, the stability of the incurred loss estimates and the effect of the surplus requirements on the assuming insurer’s liquidity or solvency. The minimum required trusted surplus may not be reduced to an amount less than thirty percent (30%) of the assuming insurer’s liabilities attributable to reinsurance ceded by United States ceding insurers covered by the trust.

5.5.f.3. An investment in or loan upon any one institution's outstanding equity interests shall not exceed one percent (1%) of the assets of the trust. The cost of an investment in equity interests made pursuant to this paragraph, when added to the aggregate cost of other investments in equity interests then held pursuant to this paragraph, shall not exceed ten percent (10%) of the assets in the trust;

5.5.g. Obligations issued, assumed or guaranteed by a multinational development bank, provided the obligations are rated A or higher, or the equivalent, by a rating agency recognized by the Securities Valuation Office of the National Association of Insurance Commissioners.

subdivisions a, b, or c of this subsection; or

5.5.h.2.B. 5.5.i. The following apply to letters of credit:

5.5.i.1. In order for a letter of credit to qualify as an asset of the trust, the trustee has the right and the obligation pursuant to the deed of trust or some other binding agreement (as duly approved by the commissioner), to immediately draw down the full amount of the letter of credit and hold the proceeds in trust for the beneficiaries of the trust if the letter of credit will otherwise expire without being renewed or replaced.

5.5.i.2. The trust agreement shall provide that the trustee is liable for its negligence, willful misconduct or lack of good faith. The failure of the trustee to draw against the letter of credit in circumstances where the draw would be required is considered to be negligence and/or willful misconduct.

5.5.j. A specific security provided to a ceding insurer by an assuming insurer pursuant to section 87 of this rule shall be applied, until exhausted, to the payment of liabilities of the assuming insurer to the ceding insurer holding the specific security prior to, and as a condition precedent for, presentation of a claim by the ceding insurer for payment by a trustee of a trust established by the assuming insurer pursuant to this section.

§114-40-6. Credit for Reinsurance – Certified Reinsurers

6.1. Pursuant to W. Va. Code §33-4-15a(b)(2)(E), the commissioner shall allow credit for reinsurance ceded by a domestic insurer to an assuming insurer that has been certified as a reinsurer in this state at all times for which statutory financial statement credit for reinsurance is claimed under this section. The credit allowed shall be based upon the security held by or on behalf of the ceding insurer in accordance with a rating assigned to the certified reinsurer by the commissioner. The security shall be in a form consistent with the provisions of W. Va. Code §§33-4-15a(b)(2)(E) and 33-4-15a(c), and sections 9, 10 or 11 of this rule. 6.1.b. Affiliated reinsurance transactions shall receive the same opportunity for reduced security requirements as all other reinsurance transactions.

6.1.c. The commissioner shall require the certified reinsurer to post, for the benefit of the ceding insurer or its estate, one hundred percent (100%) security upon the entry of an order of rehabilitation, liquidation or conservation against the ceding insurer.

6.1.d. In order to facilitate the prompt payment of claims, a certified reinsurer shall not be required to post security for catastrophe recoverables for a period of one year from the date of the first instance of a liability reserve entry by the ceding company as a result of a loss from a catastrophic occurrence as recognized by the commissioner. The one year deferral period is contingent upon the certified reinsurer continuing to pay claims in a timely manner. Reinsurance recoverables for only the following lines of business as reported on the National Association of Insurance Commissioners annual financial statement related specifically to the catastrophic occurrence will be included in the deferral:

6.1.d.1. Line 1: Fire;
6.1.d.2. Line 2: Allied Lines;
6.1.d.3. Line 3: Farmowners multiple peril;
6.1.d.4. Line 4: Homeowners multiple peril;
6.1.d.5. Line 5: Commercial multiple peril;
6.1.d.7. Line 12: Earthquake; and

6.1.e. Credit for reinsurance under this section shall apply only to reinsurance contracts entered into or renewed on or after the effective date of the certification of the assuming insurer. Any reinsurance contract entered into prior to the effective date of the certification of the assuming insurer that is subsequently amended after the effective date of the certification of the assuming insurer, or a new reinsurance contract, covering any risk for which collateral was provided previously, shall only be subject to this section with respect to losses incurred and reserves reported from and after the effective date of the amendment or new contract.

6.1.f. Nothing in this section shall prohibit the parties to a reinsurance agreement from agreeing to provisions establishing security requirements that exceed the minimum security requirements established for certified reinsurers under this section.

6.2. Certification Procedure.

6.2.a. The commissioner shall post notice on the insurance department’s website promptly upon receipt of any application for certification, including instructions on how members of the public may
respond to the application. The commissioner may not take final action on the application until at least thirty (30) days after posting the notice required by this subdivision.

6.2.b. The commissioner shall issue written notice to an assuming insurer that has made application and been approved as a certified reinsurer. Included in such notice shall be the rating assigned the certified reinsurer in accordance with subsection 6.1 of this section. The commissioner shall publish a list of all certified reinsurers and their ratings.

6.2.c. In order to be eligible for certification, the assuming insurer shall meet the following requirements:

6.2.c.1. The assuming insurer must be domiciled and licensed to transact insurance or reinsurance in a qualified jurisdiction, as determined by the commissioner pursuant to subsection 6.3 of this section.

6.2.c.2. The assuming insurer must maintain capital and surplus, or its equivalent, of no less than $250,000,000, calculated in accordance with paragraph 8, subdivision d of this subsection. This requirement may also be satisfied by an association including incorporated and individual unincorporated underwriters having minimum capital and surplus equivalents (net of liabilities) of at least $250,000,000 and a central fund containing a balance of at least $250,000,000.

6.2.c.3. The assuming insurer must maintain financial strength ratings from two or more rating agencies deemed acceptable by the commissioner. These ratings shall be based on interactive communication between the rating agency and the assuming insurer and shall not be based solely on publicly available information. These financial strength ratings will be one factor used by the commissioner in determining the rating that is assigned to the assuming insurer. Acceptable rating agencies include the following:

6.2.c.3.A. Standard & Poor’s;

6.2.c.3.B. Moody’s Investors Service;

6.2.c.3.C. Fitch Ratings;

6.2.c.3.D. A.M. Best Company; or

6.2.c.3.E. Any other nationally recognized statistical rating organization.

6.2.c.4. The certified reinsurer must comply with any other requirements reasonably imposed by the commissioner.

6.2.d. Each certified reinsurer shall be rated on a legal entity basis, with due consideration being given to the group rating where appropriate, except that an association including incorporated and individual unincorporated underwriters that has been approved to do business as a single certified reinsurer may be evaluated on the basis of its group rating. Factors that may be considered as part of the evaluation process include, but are not limited to, the following:

6.2.d.1. The certified reinsurer’s financial strength rating from an acceptable rating agency. The maximum rating that a certified reinsurer may be assigned will correspond to its financial strength rating as outlined in the table below. The commissioner shall use the lowest financial strength rating received from an approved rating agency in establishing the maximum rating of a certified reinsurer. A
failure to obtain or maintain at least two financial strength ratings from acceptable rating agencies will result in loss of eligibility for certification:

6.2.d.3. For certified reinsurers domiciled in the United States, a review of the most recent applicable National Association of Insurance Commissioners Annual Statement Blank, either Schedule F (for property/casualty reinsurers) or Schedule S (for life and health reinsurers);

6.2.d.4. For certified reinsurers not domiciled in the United States, a review annually of Form CR-F (for property/casualty reinsurers) or Form CR-S (for life and health reinsurers), as adopted by the National Association of Insurance Commissioners;

6.2.d.5. The reputation of the certified reinsurer for prompt payment of claims under reinsurance agreements, based on an analysis of ceding insurers’ Schedule F reporting of overdue reinsurance recoverables, including the proportion of obligations that are more than ninety (90) days past due or are in dispute, with specific attention given to obligations payable to companies that are in administrative supervision or receivership;

6.2.d.6. Regulatory actions against the certified reinsurer;

6.2.d.7. The report of the independent auditor on the financial statements of the insurance enterprise, on the basis described in paragraph 8 of this subdivision;

6.2.d.8. For certified reinsurers not domiciled in the United States, audited financial statements (audited U.S. GAAP basis if available, audited IFRS basis statements are allowed but must include an audited footnote reconciling equity and net income to a U.S. GAAP basis, or, with the permission of the state insurance commissioner, audited IFRS statements with reconciliation to U.S. GAAP certified by an officer of the company), regulatory filings, and actuarial opinion (as filed with the non-U.S. jurisdiction supervisor). Upon the initial application for certification, the commissioner will consider audited financial statements for the last three (3) years filed with its non-United States jurisdiction supervisor;

6.2.d.9. The liquidation priority of obligations to a ceding insurer in the certified reinsurer’s domiciliary jurisdiction in the context of an insolvency proceeding;

6.2.d.10. A certified reinsurer’s participation in any solvent scheme of arrangement, or similar
procedure, which involves United States ceding insurers. The commissioner shall receive prior notice from a certified reinsurer that proposes participation by the certified reinsurer in a solvent scheme of arrangement; and

6.2.d.11. Any other information deemed relevant by the commissioner.

6.2.e. Based on the analysis conducted under paragraph 5, subdivision d of this subsection of a certified reinsurer’s reputation for prompt payment of claims, the commissioner may make appropriate adjustments in the security the certified reinsurer is required to post to protest its liabilities to United States ceding insurers, provided that the commissioner shall, at a minimum, increase the security the certified reinsurer is required to post by one rating level under paragraph 1, subdivision d of this subsection if the commissioner finds that:

6.2.e.1. More than fifteen percent (15%) of the certified reinsurer’s ceding insurance clients have overdue reinsurance recoverables on paid losses of ninety (90) days or more which are not in dispute and which exceed $100,000 for each cedent; or

6.2.e.2. The aggregate amount of reinsurance recoverables on paid losses which are not in dispute that are overdue by ninety (90) days or more exceed $50,000,000.

6.2.f. The assuming insurer must submit a properly executed Form CR-1, as adopted by the National Association of Insurance Commissioners, as evidence of its submission to the jurisdiction of this state, appointment of the commissioner as an agent for service of process in this state, and agreement to provide security for one hundred percent (100%) of the assuming insurer’s liabilities attributable to reinsurance ceded by United States ceding insurers if it resists enforcement of a final United States judgement. The commissioner shall not certify any assuming insurer that is domiciled in a jurisdiction that the commissioner has determined does not adequately and promptly enforce United States judgement or arbitration awards.

6.2.g. The certified reinsurer must agree to meet applicable information filing requirements as determined by the commissioner, both with respect to an initial application for certification and on an ongoing basis. All information submitted by certified reinsurers which is not otherwise public information subject to disclosure is exempted from disclosure under Chapter 29B of the West Virginia Code and shall be withheld from public disclosure. The applicable information filing requirements are as follows:

6.2.g.1. Notification with ten (10) days of any regulatory actions taken against the certified reinsurer, any change in the provisions of its domiciliary license or any change in rating by an approved rating agency, including a statement describing such changes and the reasons therefore;

6.2.g.2. Annually, Form CR-F or CR-S, as adopted by the National Association of Insurance Commissioners and as applicable;

6.2.g.3. Annually, the report of the independent auditor on the financial statements of the insurance enterprise, on the basis described in paragraph 4 of this subdivision;

6.2.g.4. Annually, audited financial statements (audited U.S. GAAP basis if available, audited IFRS basis statements are allowed but must include an audited footnote reconciling equity and net income to a U.S. GAAP basis, or, with the permission of the state insurance commissioner, audited IFRS statements with reconciliation to U.S. GAAP certified by an officer of the company, regulatory filings, and actuarial opinion (as filed with the certified reinsurer’s supervisor). Upon the initial certification, audited financial statements for the last three (3) years filed with the certified reinsurer’s supervisor.
6.2.g.5. At least annually, an updated list of all disputed and overdue reinsurance claims regarding reinsurance assumed from United States domestic ceding insurers.

6.2.g.6. A certification from the certified reinsurer’s domestic regulator that the certified reinsurer is in good standing and maintains capital in excess of the jurisdiction’s highest regulatory action level; and

6.2.g.7. Any other information that the commissioner may reasonably require.

6.2.h. Change in Rating or Revocation of Certification.

6.2.h.1. In the case of a downgrade by a rating agency or other disqualifying circumstance, the commissioner shall upon written notice assign a new rating to the certified reinsurer in accordance with the requirements of paragraph 1, subdivision d of this subsection.

6.2.h.2. The commissioner shall have the authority to suspend, revoke, or otherwise modify a certified reinsurer’s certification at any time if the certified reinsurer fails to meet its obligations or security requirements under this section, or if other financial or operating results of the certified reinsurer, or documented significant delays in payment by the certified reinsurer, lead the commissioner to reconsider the certified reinsurer’s ability or willingness to meet its contractual obligations.

6.2.h.3. If the rating of a certified reinsurer is upgraded by the commissioner, the certified reinsurer may meet the security requirements applicable to its new rating on a prospective basis, but the commissioner shall require the certified reinsurer to post security under the previously applicable security requirements as to all contacts in force on or before the effective date of the upgraded rating. If the rating of a certified reinsurer is downgraded by the commissioner, the commissioner shall require the certified reinsurer to meet the security requirements applicable to its new rating for all business it has assumed as a certified reinsurer.

6.2.h.4. Upon revocation of the certification of a certified reinsurer by the commissioner, the assuming insurer shall be required to post security in accordance with section 8 of this rule in order for the ceding insurer to continue to take credit for reinsurance ceded to the assuming insurer. If funds continue to be held in trust in accordance with section 5 of this rule, the commissioner may allow additional credit equal to the ceding insurer’s pro rata share of such funds, discounted to reflect the risk of uncollectibility and anticipated expenses of trust administration. Notwithstanding the change of a certified reinsurer’s rating or revocation of its certification, a domestic insurer that has ceded reinsurance to that certified reinsurer may not be denied credit for reinsurance for a period of three (3) months for all reinsurance ceded to that certified reinsurer, unless the reinsurance is found by the commissioner to be at high risk of uncollectibility.

6.3. Qualified Jurisdictions.

6.3.a. If, upon conducting an evaluation under this section with respect to the reinsurance supervisory system of any non-U.S. assuming insurer, the commissioner determines that the jurisdiction qualifies to be recognized as a qualified jurisdiction, the commissioner shall publish notice and evidence of such recognition in an appropriate manner. The commissioner may establish a procedure to withdraw recognition of those jurisdictions that are not longer qualified.

6.3.b. In order to determine whether the domiciliary jurisdiction of a non-U.S. assuming insurer is eligible to be recognized as a qualified jurisdiction, the commissioner shall evaluate the reinsurance
supervisory system of the non-U.S. jurisdiction, both initially and on an ongoing basis, and consider the rights, benefits and the extent of reciprocal recognition afforded by the non-U.S. jurisdiction to reinsurers licensed and domiciled in the United States. The commissioner shall determine the appropriate approach for evaluating the qualifications of such jurisdictions, and create and publish a list of jurisdictions whose reinsurers may be approved by the commissioner as eligible for certification. A qualified jurisdiction must agree to share information and cooperate with the commissioner with respect to all certified reinsurers domiciled within that jurisdiction. Additional factors to be considered in determining whether to recognize a qualified jurisdiction, in the discretion of the commissioner, include but are not limited to the following:

6.3.b.1. The framework under which the assuming insurer is regulated.

6.3.b.2. The structure and authority of the domiciliary regulator with regard to solvency regulation requirements and financial surveillance.

6.3.b.3. The substance of financial and operating standards for assuming insurers in the domiciliary jurisdiction.

6.3.b.4. The form and substance of financial reports required to be filed or made publicly available by reinsurers in the domiciliary jurisdiction and the accounting principles used.

6.3.b.5. The domiciliary regulator’s willingness to cooperate with United States regulators in general and the commissioner in particular.

6.3.b.6. The history of performance by assuming insurers in the domiciliary jurisdiction.

6.3.b.7. Any documented evidence of substantial problems with the enforcement of final United States judgments in the domiciliary jurisdiction. A jurisdiction will not be considered to be a qualified jurisdiction if the commissioner has determined that it does not adequately and promptly enforce final United States judgements or arbitration awards.

6.3.b.8. Any relevant international standards or guidance with respect to mutual recognition of reinsurance supervision adopted by the International Association of Insurance Supervisors or successor organization.

6.3.b.9. Any other matters deemed relevant by the commissioner.

6.3.c. A list of qualified jurisdictions shall be published through the National Association of Insurance Commissioners’ committee process. The commissioner shall consider this list in determining qualified jurisdictions. If the commissioner approves a jurisdiction as qualified that does not appear on the list of qualified jurisdictions, the commissioner shall provide thoroughly documented justification with respect to the criteria provided under subdivision b of this subsection.

6.3.d. United States jurisdictions that meet the requirements for accreditation under the National Association of Insurance Commissioners’ financial standards and accreditation program shall be recognized as qualified jurisdictions.

6.4. Recognition of Certification Issued by an NAIC Accredited Jurisdiction.

6.4.a. If an applicant for certification has been certified as a reinsurer in an National Association of Insurance Commissioners’ accredited jurisdiction, the commissioner has the discretion to defer to that jurisdiction’s certification, and to defer to the rating assigned by that jurisdiction, if the assuming insurer
submits a properly executed Form CR-1, as adopted by the National Association of Insurance Commissioners, and such additional information as the commissioner requires. The assuming insurer shall be considered to be a certified reinsurer in this state.

6.4.b. Any change in the certified reinsurer’s status or rating in the other jurisdiction shall apply automatically in this state as of the date it takes effect in the other jurisdiction. The certified reinsurer shall notify the commissioner of any change in its status or rating within ten (10) days after receiving notice of the change.

6.4.c. The commissioner may withdraw recognition of the other jurisdiction’s rating at any time and assign a new rating in accordance with subdivision h, subsection 6.2 of this section.

6.4.d. The commissioner may withdraw recognition of the other jurisdiction’s certification at any time, with written notice to the certified reinsurer. Unless the commissioner suspends or revokes the certified reinsurer’s certification in accordance with subdivision h, subsection 6.2 of this section, the certified reinsurer’s certification shall remain in good standing in this state for a period of three (3) months, which shall be extended if additional time is necessary to consider the assuming insurer’s application for certification in this state.

6.5. Mandatory Funding Clause. In addition to the clauses required under section 12 of this rule, reinsurance contracts entered into or renewed under this section shall include a proper funding clause, which requires the certified reinsurer to provide and maintain security in an amount sufficient to avoid the imposition of any financial statement penalty on the ceding insurer under this section for reinsurance ceded to the certified reinsurer.

6.6. The commissioner shall comply with all reporting and notification requirements that may be established by the National Association of Insurance Commissioners with respect to certified reinsurers and qualified jurisdictions.

§114-40-7. Credit for Reinsurance Required by Law.

Pursuant to W. Va. Code §33-4-15a(e)(3) §33-4-15a(b)(2)(F), the commissioner shall allow credit for reinsurance ceded by a domestic insurer to an assuming insurer not meeting the requirements of W. Va. Code §33-4-15a(b)(1); 33-4-15a(b)(2); 33-4-15a(b)(3); and 33-4-15a(b)(4) §§33-4-15a(b)(2)(A); 33-4-15a(b)(2)(B); 33-4-15a(b)(2)(C); 33-4-15a(b)(2)(D); and 33-4-15a(b)(2)(E), but only as to the insurance of risks located in jurisdictions where the reinsurance is required by the applicable law or regulation of that jurisdiction. As used in this section, “jurisdiction” means a state, district or territory of the United States and any lawful national government.

§114-40-8. Asset or Reduction From Liability for Reinsurance Ceded to an Unauthorized Assuming Insurer Not Meeting the Requirements of Sections 2 through 7.

8.1. Pursuant to W. Va. Code §33-4-15a(e) §33-4-15a(c), the commissioner shall allow a reduction from liability for reinsurance ceded by a domestic insurer to an assuming insurer not meeting the requirements of W. Va. Code §33-4-15a(a) §33-4-15a(b) in an amount not exceeding the liabilities carried by the ceding insurer. The reduction shall be in the amount of funds held by or on behalf of the ceding insurer, including funds held in trust for the exclusive benefit of the ceding insurer, under a reinsurance contract with the assuming insurer as security for the payment of obligations under the reinsurance contract. The security must be held in the United States subject to withdrawal solely by, and under the exclusive control of, the ceding insurer or, in the case of a trust, held in a qualified United States financial institution as defined in W. Va. Code §33-4-15a(f) §33-4-15a(d)(2). This security may be in the form of any of the
following:

8.1.a. Cash;

8.1.b. Securities listed by the Securities Valuation Office of the National Association of Insurance Commissioners, including those deemed exempt from filing as defined by the Purposes and Procedures Manual of the Securities Valuation Office, and qualifying as admitted assets;

8.1.c. Clean, irrevocable, unconditional and “evergreen” letters of credit issued or confirmed by a qualified United States institution, as defined in W. Va. Code §32-4-15a(§) §33-4-15a(d)(1), effective no later than December 31 of the year for which filing is being made, and in the possession of, or in trust for, the ceding company insurer on or before the filing date of its annual statement. Letters of credit meeting applicable standards of issuer acceptability as of the dates of their issuance (or confirmation) shall, notwithstanding the issuing (or confirming) institution’s subsequent failure to meet applicable standards of issuer acceptability, continue to be acceptable as security until their expiration, extension, renewal, modification or amendment, whichever first occurs; or

8.1.d. Any other form of security acceptable to the commissioner.

8.2. An admitted asset or a reduction from liability for reinsurance ceded to an unauthorized assuming insurer pursuant to subdivisions a, b, c and d, subsections 8.1 of this section shall be allowed only when the requirements of section 12 and the applicable portions of sections 9, 10 or 11 of this rule are satisfied.

9.1. As used in this section:

9.1.a. “Beneficiary” means the entity for whose sole benefit the trust has been established and any successor of the beneficiary by operation of law. If a court of law appoints a successor in interest to the named beneficiary, then the named beneficiary includes and is limited to the court appointed domiciliary receiver (including a conservator, rehabilitator or liquidator).

9.1.b. “Grantor” means the entity that has established a trust for the sole benefit of the beneficiary. When established in conjunction with a reinsurance agreement, the grantor is the unlicensed, unaccredited assuming insurer.

9.1.c. “Obligations,” as used in subdivision 9.2.a. k, subsection 9.2 of this section means:

9.1.c.1. Reinsured losses and allocated loss expenses paid by the ceding company, but not recovered from the assuming insurer;

9.2.b. The trust agreement shall create a trust account into which assets shall be deposited.

9.2.c. All assets in the trust account shall be held by the trustee at the trustee's office in the United States.

9.2.d. The trust agreement shall provide that:

9.2.d.1. The beneficiary has the right to withdraw assets from the trust account at any time, without notice to the grantor, subject only to written notice from the beneficiary to the trustee;

9.2.d.2. No other statement or document is required to be presented in order to withdraw assets, except that the beneficiary may be required to acknowledge receipt of withdrawn assets;

9.2.d.3. It is not subject to any conditions or qualifications outside of the trust agreement; and

9.2.d.4. It shall not contain references to any other agreements or documents except as provided for under subdivisions k and l of this subsection.

9.2.e. The trust agreement shall be established for the sole benefit of the beneficiary.

9.2.f. The trust agreement shall require the trustee to:

9.2.f.1. Receive assets and hold all assets in a safe place;

9.2.h. The trust agreement shall be made subject to and governed by the laws of the state in which the trust is domiciled.
9.2.i. The trust agreement shall prohibit invasion of the trust corpus for the purpose of paying compensation to, or reimbursing the expenses of, the trustee. In order for a letter of credit to qualify as an asset of the trust, the trustee has the right and the obligation pursuant to the deed of trust or some other binding agreement (as duly approved by the commissioner), to immediately draw down the full amount of the letter of credit and hold the proceeds in trust for the beneficiaries of the trust if the letter of credit will otherwise expire without being renewed or replaced.

9.2.j. The trust agreement shall provide that the trustee is liable for its own negligence, willful misconduct or lack of good faith. The failure of the trustee to draw against the letter of credit in circumstances where the draw would be required is considered to be negligence and/or willful misconduct.
