New Flat Fee for Insurance Company SERFF Filings - July 1, 2020

The purpose of this change is to make a uniform definition of “filing” and set a flat fee per company per filing regardless of the filing type or combination of filing types (insurance forms, rule and rates). The definition of “filing” is *any form, rate or rule filing made in one filing in SERFF*. The flat filing fee of \$100 applies per filing, per company not per filing type.

If ABC Company uses one filing to submit rates and rules the fee is \$100.

If ABC Company uses one filing to submit rates the fee is \$100.

If ABC Company uses one filing to submit form, rates and rules the fee is \$100.

If ABC Company submits one filing for Insurance Company 1 and Insurance Company 2 with various rates and forms, the fee is \$100 per Company for a filing fee of \$200.
